House File 148

AN ACT

RELATING TO STATE EXPENDITURE REQUIREMENTS INVOLVING THE
REVENUE ESTIMATING CONFERENCE AND APPROPRIATION TRANSFERS
AND INCLUDING EFFECTIVE DATE PROVISIONS.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

Section 1. Section 8.22A, subsection 2, Code 2011, is amended to read as follows:

2. The conference shall meet as often as deemed necessary, but shall meet at least ~~quarterly~~ three times per year. The conference may use sources of information deemed appropriate. At each meeting, the conference shall agree to estimates for the current fiscal year and the following fiscal year for the general fund of the state, lottery revenues to be available for disbursement, and from gambling revenues and from interest earned on the cash reserve fund and the economic emergency fund to be deposited in the rebuild Iowa infrastructure fund. Only an estimate for the following fiscal year agreed to by the conference pursuant to subsection 3, 4, or 5, shall be used for purposes of calculating the state general fund expenditure limitation under section 8.54, and any other estimate agreed to shall be considered a preliminary estimate that shall not be used for purposes of calculating the state general fund expenditure limitation.

Sec. 2. Section 8.39, subsections 1 and 2, Code 2011, are amended to read as follows:

1. Except as otherwise provided by law, an appropriation or any part of it shall not be used for any other purpose than that for which it was made. However, with the prior written consent and approval of the governor and the director of the department of management, the governing board or head of any state

department, institution, or agency may, at any time during the fiscal year, make a whole or partial intradepartmental transfer of its unexpended appropriations for purposes within the scope of such department, institution, or agency. Such transfer shall be to an appropriation made from the same funding source and within the same fiscal year. The amount of a transfer made from an appropriation under this subsection shall be limited to not more than one-tenth of one percent of the total of all appropriations made from the funding source of the transferred appropriation for the fiscal year in which the transfer is made.

2. If the appropriation of a department, institution, or agency is insufficient to properly meet the legitimate expenses of the department, institution, or agency, the director, with the approval of the governor, may make an interdepartmental transfer from any other department, institution, or agency of the state having an appropriation in excess of its needs, of sufficient funds to meet that deficiency. Such transfer shall be to an appropriation made from the same funding source and within the same fiscal year. The amount of a transfer made from an appropriation under this subsection shall be limited to not more than one-tenth of one percent of the total of all appropriations made from the funding source of the transferred appropriation for the fiscal year in which the transfer is made. An interdepartmental transfer to an appropriation which is not an entitlement appropriation is not authorized when the general assembly is in regular session and, in addition, the sum of interdepartmental transfers in a fiscal year to an appropriation which is not an entitlement appropriation shall not exceed fifty percent of the amount of the appropriation as enacted by the general assembly. For the purposes of this subsection, an entitlement appropriation is a line item appropriation to the state public defender for indigent defense or to the department of human services for foster care, state supplementary assistance, or medical assistance, or for the family investment program.

Sec. 3. Section 8.39, Code 2011, is amended by adding the following new subsection:

NEW SUBSECTION. 2A. The aggregate amount of intradepartmental and interdepartmental transfers made from all appropriations for a fiscal year pursuant to this section is limited to not more than five-tenths of one percent of the total amount of the appropriations made from the general

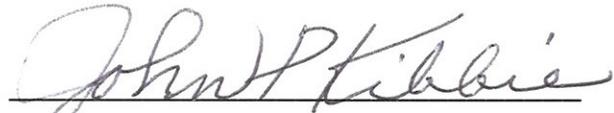

fund of the state for the fiscal year. The aggregate amount of the intradepartmental and interdepartmental transfers made from an appropriation for a fiscal year is limited to fifty percent of the appropriation.

Sec. 4. EFFECTIVE UPON ENACTMENT. This Act, being deemed of immediate importance, takes effect upon enactment.
